Financing Your Kangen 8

This financing is for a Kangen 8 in the United States; similar plans are available for other countries and machine models as well. Your Breakaway Movement distributor will be able to walk you through your countries options.

You can purchase a Kangen 8 with a down payment of approx. \$1200 and a monthly payment as low as \$180.

Payment Plans are available from 3-24 months.

There is no additional interest added; just a one time handling charge of \$10/month.

Ex: If a person chooses a 10 month payment plan, they will be paying a \$100 handling charge (10 months x \$10) and it's included in the down payment.

There is no credit check needed for in-house financing.

You can use a combination of debit and credit cards to pay the down payment.
